ENGAGE PEOPLE • REBUILD PLACES • REVITALIZE ECONOMIES

[Gallup's Coal Avenue Commons Ribbon Cutting](#)

Gallup Mayor Louie Bonaguidi officially cut the ribbon on Phase I of Gallup's Coal Avenue Commons public infrastructure project on August 24, 2021! This project broke ground on July 13, 2020 and has been in the works since 2017. The City received a NEA Our Town Grant which was matched by contributions from local government, institutions, and organizations.

Coal Avenue Commons transformed two downtown blocks into a vibrant plaza street suited for events, pedestrian safety, and accessibility. It's the result of a strong partnership between the City of Gallup, GallupARTS, Northwest New Mexico Council of Governments, Gallup Business Improvement District, and Gallup MainStreet Arts & Cultural District.
