About Leighton Moon.

Collectively, Leighton Moon has 18+ years of experience helping businesses, nonprofits, economic development organizations, and municipal branches of government extend their respective brands through memorable, engaging design and visual marketing collateral for both print and digital mediums. We have design experience in over 60 unique industries. We provide services in graphic design, website design, social media development, interpretive commercial design, and marketing.

Camdon Wilde

Education. A 21-year Air Force veteran, Cam earned his BoS in Graphic Design and MFA in Media Design (both as Valedictorian) at Full Sail University after years of both independent and commercial design industry work.

Julia Royal

Education. Royal graduated Magna Cum Laude with her BFA in Visual Art focused in Graphic Design from Georgia Southern University – Armstrong. She received her MFA in Media Design as Salutatorian from Full Sail University, accumulating several academic awards and honors.

Have an idea and don't see it on this sheet? Contact us and let's talk about how we can make it happen!
