

# Decoding District Design Scavenger Hunt Instructions

1. **Get Ready** · Make sure you have the scavenger hunt list, a pen or pencil to check off items to track your progress, and a phone to take photos of the scavenger hunt items.
2. **Build Your Team or Fly Solo** · You can **work alone or in teams of up to four people**. Pick a fun team name! Make sure someone on the team has the ability to upload photos of your scavenger hunt finds to Instagram.
3. **Start Searching** · Look for the scavenger hunt items in the **downtown Santa Fe area**. You should be able to find every item on the list within just a few blocks of the plaza. **Take a team selfie with every scavenger hunt item** you find (it can be faces, feet, bodies, hands, toes, eyeballs, earlobes, etc. you get the drift). As you find each item, check it off the list. *\*Make sure to be respectful of your surroundings and others during the hunt.*

**YOUR MISSION:** Find TEN items on the list!  
Here's how to play:

4. **Upload Your Finds** · Find **ten** (or more) scavenger hunt items. **Upload** them all in one post to Instagram. In your post caption, number and list each scavenger hunt item in the order they are uploaded. **Tag New Mexico MainStreet** (@nmmainstreet) and **use the hashtags:** #nmms #nmmainstreet #newmexicomainstreet. Make sure to **tag your team name** in your post (ex: #teamscooby-doo)!
5. **Return and Celebrate** · **NMMS will check your uploads** (this is why it is important to tag NMMS and use those hashtags in your post!). We will make a **note of every team that uploaded 10 or more scavenger hunt items**, drop the names into a hat, and draw for first, second, and third place prizes. There will be an additional **prize awarded to the team that finds the MOST scavenger hunt clues (there are 18 total)**. Prizes will be awarded at the end of the conference day.

**Have fun and good luck on your scavenger hunt adventure!**
